
ETS VERSION 4.8 – WHAT'S CHANGED

Enhancements

- Enhanced Commit to Portfolio to automatically run 14 of the 16 Loan Portfolio Audit Tool (LPAT) queries and place results in a new LPAT playlist
- Changed the description on the Items Listed for Special Mention page for accrued interest to "Accrued Interest on Special Mention Loans" from "Accrued Interest on Classified Loans"

Bug Fixes

- Improved download speed when gathering Uniform Bank Performance Report (UBPR) data
- Fixed bug where work papers within imported work paper folders could not be opened by other exam team members
- Fixed bug where File>Print>Print Document Excluding Confidential Pages (without Notes) was not excluding the Confidential pages
- Corrected issue where holding company/shareholder biographies uploaded from prior exam were not downloading into current exam
- Addressed issue where institution information was not populating the institution profile when setting up both Analysis Only and New Blank exams
